Dolly Reno

First Nations Liaison

"Freedom, morality, and the human dignity of the individual consists precisely in this; that she does good not because she is forced to do so, but because she freely conceives it, wants it, and loves it."

– M. B.

I am running for this position because I care about equality, because I care about the dignity of First Nations people and because I want to create an environment where everyone feels they have a right to be heard. My goal is to hold and facilitate meetings that address issues and concerns of First Nations students. As the representative of the North Vancouver, Squamish and Sechelt Capilano University Campuses, I promise that I will try my best to be actively involved with finding solutions to address the concerns of the First Nation Students.
